

# READY FOR TESTING?

Here is a list of the most important things to arrange before a commissioning test:

## Information for your service supplier:

- Name and model of BWMS
- Class society
- Flag administration
- Location of the vessel
- Duration of stay
- Location of BWMS
- Date of installation
- Sampling port in pipe after BWMS available
- Sampling port in pipe before BWMS available
- Manual of BWMS

## Preparation on the vessel:

- Installation completed
- Tanks cleaned
- Ballast operation should be possible
- Sensors checked and calibrated by BMWS  
technician
- Crew is trained
